1992 CENSUS OF MICRONESIANS ON GUAM

In compliance with Public Law 99-239, the Compact of Free Association Act of 1985, this statistical report provides Government of Guam agencies, researchers, and interested persons essential data in identifying the number of Freely Associated States persons migrating to Guam and serves to account the cost and impact on government programs and services. Funded through a technical assistance grant from the Department of Interior and conducted by the University of Guam, information contained in the Micronesian census contains tables on demographics, residence, education, employment, housing conditions, year of arrival, travel between Guam and the home islands, purpose of migration, and activity on Guam.
